

DRESS CODE POLICY

All students are expected to come to school in clean and properly fitting uniforms with proper hygiene and hair styled neatly. Daily personal grooming is important. Pride in one's appearance is the first step in gaining self-esteem and confidence. Moreover, limiting distractions associated with inappropriate or unusual dress and personal style promotes a positive learning environment. Parents will be contacted if a student is out of uniform or comes to school poorly groomed. The student dress code is an important part of the school program and philosophy. Making a choice to attend the school, the student (with parent support) agrees to follow all dress code requirements. The dress code is not an option for the student or parent. Not choosing to follow the dress code may lead to suspension or expulsion. The Eastland Preparatory Academy and Eastland Preparatory High School Administration are the prime enforcers of this policy. The student dress code is as follows:
